NP man gets jail time for sex offense

By DAN MOSER
Telegraph Staff Writer

A 25-year-old North Platte man, having ended his treatment for being a mentally disordered sex offender, was sentenced Monday to complete the remainder of his sentence in the state penitentiary.

Arvine R. Bowen was resented by Lincoln County District Judge Don Rowlands to the original two-to-five-year prison term imposed in January 1988 for first-degree sexual assault on a victim less than 16 years old.

Bowen had been serving that sentence at the Lincoln Regional Center because he was declared a mentally disordered sex offender. However, the Sentencing Review Committee, while concluding that Bowen still suffered from the disorder, reported that he had not cooperated with the treatment and had received the maximum benefit of that treatment.

Rowlands ordered that Bowen serve the rest of his term at the penitentiary and gave him credit for the time spent in the county jail and the regional center. His

attorney, Kent Florom, said that Bowen will be eligible for parole soon.

Also in district court Monday, John Wise, 19, of North Platte, was sentenced to one to three years in prison for a Jan. 21 burglary of the Telegraph, 821 N. Chestnut.

Wise pleaded guilty to the charge Monday in exchange for dismissal of some pending misdemeanor cases, as well as a burglary charge that stemmed from a break-in of the Salvation Army. Wise also agreed to help authorities locate some of the stolen items.

Rowlands ordered that the prison term run concurrently with a term Wise is now serving for another burglary.

Also, Antonia Brown, 1167 S. Tabor, was sentenced by Rowlands to 18 months' probation for attempted possession of more than 1 pound of marijuana in connection with an Aug. 10, 1988, incident. Brown pleaded guilty to the charge in a plea agreement; she initially was charged with manufacturing marijuana and possession of more than 1 pound.

Dear Al:

We appreciate the material which you sent us last July concerning the above-named individual. This was most helpful and enabled us to start a file which should lead to refusal of future registration attempts.

We really need the outcome of the legal action which is taking place. This is most important if we are to have a file which will enable us to refuse registration anywhere Mr. Bowen might move and attempt registration.

Please help us complete this file so that we may protect the youth of America.

Dear Al:

We appreciate the information which you sent us last July concerning the above-named individual. This indicated that Mr. Bowen had been charged with first degree sexual assault.

We have not heard from you since that time even though we have sent you three letters related to this case. We really need more information if we are to have a substantial file which will enable us to refuse registration should attempts be made at a later time.

Please give us copies of newspaper clippings or court records which indicate that the legal action has now been completed. The sentencing which takes place would also be most helpful.

We would also like a copy of an application or other paper which has Mr. Bowen's signature. This aids in the identification process.

Please let us know if we may be of help to you.

Dear Al:

We received information in July concerning the above-named individual. At that time, you sent us a Confidential Record Sheet and a newspaper clipping indicating that he had been charged with first degree sexual assault.

We would like to know if any further legal action has taken place and whether there has been a final disposition of this matter. This information will be most helpful to us in completing our file and making certain that Mr. Bowen cannot again register with the Boy Scouts of America.

We would like a newspaper clipping or court records that will give us the final outcome and sentencing which may have taken place.

We do need the outcome of any legal action, including sentencing which may take place. This will be most important if we are to have a complete file, which will substantiate refusal of registration in some other location.
